

Maynard Community Gardeners Membership Form

Who we are:

Maynard Community Gardeners (MCG) is an association of citizens dedicated to sharing a common interest in horticultural activities, promoting town beautification, and creating gardening opportunities for all.

MCG membership is open to anyone with an interest in gardening and town beautification. There are no membership requirements, but member participation is critical to the club's vitality.

www.maynardgardeners.org

What we do:

- To help our members become more successful gardeners and educate the community about gardening and environmental issues, we sponsor lectures and programs open to the public. We also organize member-only workshops and trips. Because we enjoy the company of other gardeners, we hold regular social events, including a spring brunch, a winter holiday potluck, and occasional dessert nights. Additional projects are discussed at monthly planning meetings, open to all members.
- Town beautification is a major focus of the club. We maintain several garden areas in town, including Maplebrook Park at the corner of Maple and Summer streets. We also plant and maintain the bucket planters in the downtown area and the gateway planters at the town borders.
- In order to raise funds to support our work, we hold an annual plant sale in May, and we sell gardening items at the Maynard Farmers' Market.

We invite you to join us!

Annual membership dues are only \$20, payable each year on May 1. Members receive our e-newsletter, published 10 times a year, which includes gardening articles, information about club activities, notices of related community events, and member articles. Members also have access to member-only events and the Club's membership passes to Tower Hill Botanical Gardens.

To join, send this form and a check for \$20 (payable to MCG) to:
Loretta West, Treasurer
4-6 Apple Ridge
Maynard, MA 01754
